Max Crawford isn't a typical prison therapist. He uses his unusual psychic ability to walk with convicts through their dreams, reliving their unspeakable crimes alongside them to show them the error of their ways.

Max always has to be on his toes to keep himself grounded, but the FBI agent waiting for him in his private office immediately puts him on edge. The bureau wants Max to go way outside his comfort zone to enter the dreams of suspected serial killer William Knox.

To get a confession and secure the future of his prison program, Max must gain Knox's trust by any means necessary—and survive the minefield of secrets waiting inside a murderer's mind. Secrets that could turn Max's reality into a living nightmare.
